10 Parent Tips for Digital Learning
Helping students succeed one student at a time

Tip 1   Understand Your Role

Parents are not expected to take the place

parents should play a support role. A good rule of thumb is to keep your children engaged and thinking critically. Even though staying home from school might feel like a holiday, remind your children that they are not on vacation

Tip 2   Make Space for Learning

Your children will achieve their best work in a quiet, comfortable, and dedicated space

devoted to learning. Ideally, this will be a different space than where they

normally play games or watch television.

Tip 3   Set Clear Expectations

Parents should build time into their day to

, and

schedule separately other activities they know their students will be able to do

-

related questions and help.

Tip 4   Encourage Reading

When in doubt, have your children read. When you have time, read with them. For younger readers, consider using

have your children read!

Tip 5   Plan you Work & Work your Plan

Good planning can relieve stress for both children and parents. Check-in with your children about their plans and help them develop a written schedule not only for the day, but for the week. Help them prioritize and learn to
